Who We Are

The RCDC Apprentice Company is a competition and performance group for boys and girls ages 3 to 14 under the direction of Sydney Smith. The Apprentice Company is specifically designed for dancers who desire an overall stronger commitment to dance outside of our Recreational Dance Program. This is a competition team for dancers at the beginning and intermediate level. The Apprentice Company competes locally two times per season with minimal travel and no national competitions. Dancers are required to attend classes 2 days per week. They will have up to two hours of fundamental training classes per week along with weekly group rehearsals.

Our Core Values

At Rock City Dance Center we strive to provide a positive learning experience that is not based solely on winning awards; instead, we promote dancers to use their talents to the best of their abilities and experience the joy of dance. Our company was founded on four core values. These values are at the heart of all we do.

- Respect
- Character
- Dedication
- Creativity
